

January

July

February

August

March

17+18 March

Proper curing of resin-hardener-systems - Part I
(*Dr Wolfgang Stark*)

24+25 March

Overview of standards in theory and practice -
correct testing of composites! (*Clemens Judersleben*)

September

08+09 September

Proper curing of resin-hardener-systems - Part I
(*Dr Wolfgang Stark*)

15+16 September

Service strength & fatigue behaviour of composites
(*Dr Marc Prewitz*)

April

21+22 April

Simulation of carbon components
(*Axel Reinsch*)

28+29 April

Testing with strain gauges in theory and practice
(*Udo Koensgen*)

October

27+28 October

Overview of standards in theory and practice -
correct testing of composites! (*Clemens Judersleben*)

May

November

17+18 November

Proper curing of resin-hardener-systems - Part II
(*Dr Wolfgang Stark*)

24+25 November

Testing with strain gauges in theory and practice
(*Udo Koensgen*)

June

December

23+24 June

Proper curing of resin-hardener-systems - Part II
(*Dr Wolfgang Stark*)

General information

- The professional seminars are aimed equally at newcomers to the profession and experienced employees to refresh and deepen their knowledge.
- The target group includes developers, engineers, designers and technicians from research and development, production and the laboratory.
- The professional seminars include lectures, tutorials, practical exercises and individual support.

Cooperation partners

- Proper curing of resin-hardener-systems - Part I & Part II:
- Simulation of carbon components:
- Testing with strain gauges in theory and practice:

Seminar fees

- The seminar fee is EUR 1,090.00 plus VAT including meals, a dinner and detailed training documents.
- For employees of companies that are members of Composites United e.V., the seminar fee is EUR 990.00 plus VAT (proof required).
- For students and academic staff of colleges and universities the seminar fee is EUR 990.00 plus VAT (proof required).

Further information

- The venue is Grasse Zur Ingenieurgesellschaft mbH, Hohentwielsteig 6a, 14163 Berlin, Germany.
- Further information at <https://grassezur.de/en/professional-seminars>.
